

## **OFFICIALS CONFLICT OF INTEREST GUIDELINES**

Officials shall avoid conflicts of interest

- Officials shall not accept assignments if they are a former player or the official's child is a player/former player of a team for four (4) years.
- Officials shall not accept assignments for games in which a family member is a player or coach.
- Officials who are high school coaches shall not accept assignments in the league in which they coach. (League meaning: Private School or Public School)
- Officials can avoid being assigned to games which create a conflict of interest by blocking teams in their ArbiterSports account where a conflict of interest is present or may be perceived.
